

## Britannica School and Image Quest

Thanks to CMS Media Clerk Justin Kingery, KSC has been awarded a subscription to Britannica School and Image Quest for the remainder of the school year. Britannica School and Image Quest provides school trusted content aligned to the Common Core and state standards across three levels—Elementary, Middle, and High.

Additionally, with nearly 3 million rights cleared images, Image Quest offers appropriate and worry free searching for classroom projects, newsletters, lesson plans, presentations, and much more. It will be available through June 15, 2016.
