

Subfinder Upgrading to Aesop

For the 2016-2017 school year we will see a big improvement in our system to schedule substitute teachers. Market leader Aesop has bought out Subfinder and is migrating all users to Aesop.

Training sessions will be provided for teachers, secretaries, and substitute employees. Please watch for updates regarding upcoming training opportunities in the IT newsletter and via email notification.

For now nothing will change and we will finish out the current school year on Subfinder. You may call Amy Huffman at the ASC or Rose Pendergast at 455-6815 if you have any questions.

Google Now Reminders

Built into Google Now is a built in reminder system that is quite handy. To see what Google Now Reminders can do for you, click here:

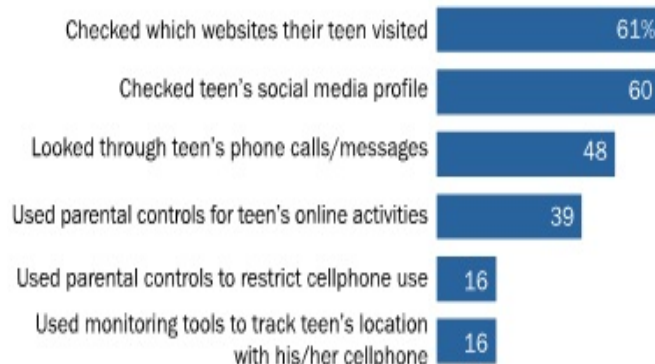

Tech Tip: Google Password

If it has been a while since you have logged in to your Google account, change your password first using Ctrl + Alt + Delete > Change a password option (from your desktop.) Once changed, it will synch with Google and be the same from that point on.

Most parents check what their teen does online and on social media...

Among parents of teens ages 13 to 17, the % who have ever ...

65%

Have taken away teen's cellphone or internet privileges as punishment

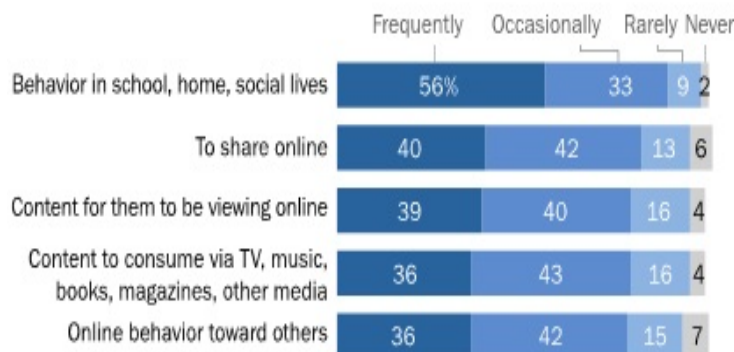

55%

Have limited the amount of time or times of day when teen can go online

... and talk with them about acceptable online behavior

Among parents of teens ages 13 to 17, the % who say they frequently, occasionally, rarely or never talk with their teen about what is appropriate or inappropriate behavior in the following areas

Source: Surveys conducted Sept. 25-Oct.9, 2014, and Feb. 10-March 16, 2015.
