Walter J. Moss

Teacher Enhancement Scholarship

Kokomo High School Class of 1951 graduate Walter "Walt" Moss has partnered with the Kokomo Public Schools Education Foundation to offer scholarships for local educators.

Mr. Moss considers education to be a vital part of any community's success. Through a generous donation, Mr. Moss has made it possible for the Kokomo Schools Education Foundation to offer scholarships for professional educators seeking an advanced degree and/or certification beyond their initial certification. Both Mr. Moss and the Kokomo Schools Education Foundation believe that highly trained teachers and administrators translate into improved student achievement.

Mr. Moss earned his living in Howard County as a barber; he began his career in 1952 and opened his shop in 1965. Mr. Moss retired in 2006 after earning a reputation in Howard County as a successful entrepreneur who gave back to his community. Thanks to Mr. Moss for his investment in education!

If you would like to contribute to the Walter J. Moss Teacher Enhancement Scholarship; complete the donation form found on the following webpage: <http://kokomoschools.com/domain/207>.

Advanced Manufacturing students give back

The students in Brian Mikesell's Advanced Manufacturing course at the Kokomo Area Career Center recently showed their appreciation for the Education Foundation's work on behalf of Kokomo Schools students by donating \$250 to the foundation. Students earned the money during the holidays by selling candle holders and reindeer they had made in class.
